MEMORIES ARE WHAT DREAMS ARE MADE OF:

To the Seniors of Norwich High School, I congratulate you on this final annual. It is a pictorial and written supplement to your memories of your school days. We hope that these memories will all be pleasant ones. During your school days, your dreams are to be out of school, to be successful, and to be independent. These dreams are usually about wants and desires rather than the realistic, and this is good, because you should have a period of life in which you do not have to carry the burdens of society--such periods being elementary and high school years. They are, however, periods in which you are to prepare to assume the problems and burdens accompanying adulthood.

You seniors are approaching the stage in your life in which you must assume more responsibilities of the adult world. It is our hope that you have done your best in this task. In the course of time when adult responsibilities take up the most of your time, may you then turn the pages of this annual and reflect upon the pleasant memories and dreams of your school days.

Sincerely,

P.C. Pratter

BASKETBALL

This year 24 boys strived to make the name of Norwich great by going out for basketball. Coached by Bob Skillen and Jim Gosch, Norwich placed fourth at the Golden Plains Tournament on our home court, and third at the District Tournament. Our standings ended with more wins than losses, so the season was great for both teams. After many overtimes, many more long bus rides, and almost 50 games later, including freshman games, the boys were ready for a rest at the end of the season, but ready to pour it on even more next year.

BOYS TRACK

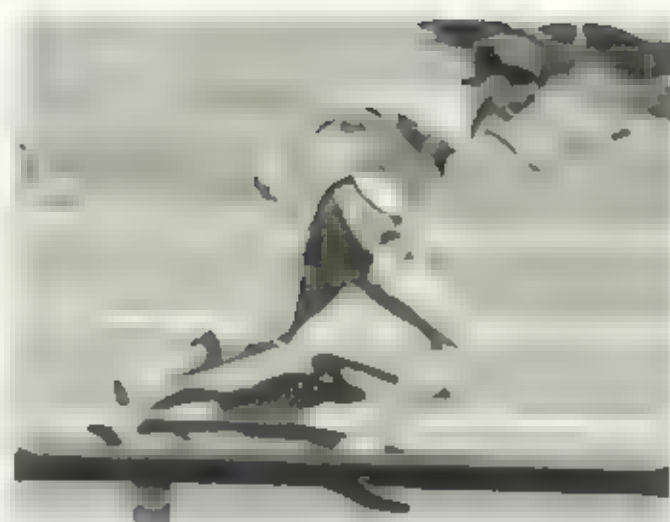

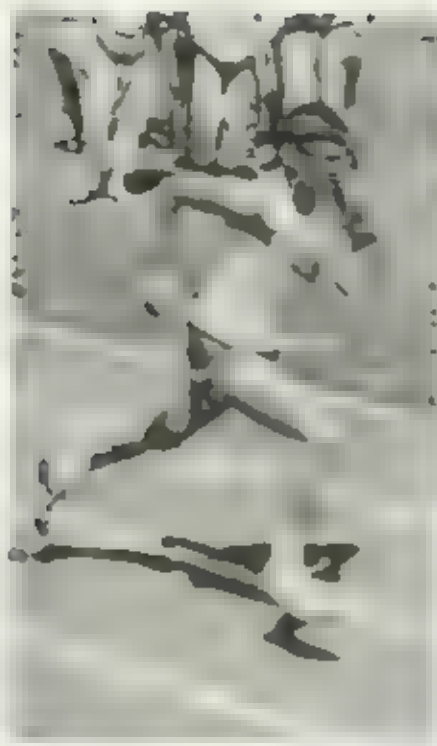

There were 20 boys out for track this year. They competed in seven track meets including the League. Mr. Skillen was quite pleased with the results of each meet.

At the Wichita meet, having tough competition in all events, only two boys placed. Joe Cosch and Mark Turner both placed third in the discus and the mile run respectively.

Among nine schools at Medicine Lodge, the boys placed third. Keith Robertson captured first in high jump, Joe Cosch--first in discus, Mark Turner--first in mile run, and David Smith--second in 440 yd. run.

The League meet was held at Kingman. Norman took first with 54 points, and Mike second with 42. Joe took first in the discus, Mark--first in the mile, Keith--first in high jump, David--first in 440 yd. run, Kenny--second in shot put, and Brad--third in low hurdles thus all qualified for the Regionals at Dodge City.

Joe and Mark qualified for the State meet in Wichita. Joe received third in the discus.

OUTSTANDING SPORTSMEN

Our outstanding football team was well represented on the All-League Team. Wayne Wineinger and Joe Gosch were named for the offensive team and Kevin Covkendall for the defensive team. Gary Dennis received honorable mention.

Nerwich had three players selected to the All-League Basketball team with two unanimous first-team choices and one honorable mention. Kevin Covkendall and Joe Gosch made the first team with Mike Owens making the honorable mention list.

The State Track Meet for class 1-A school in this area was held in Wichita. As a result of the tough competition in all events, only two of our boys placed. Joe Gosch in discus, and Mark Turner in the mile. Both boys placed third in their events.

Although the season was marred by several losses, the girls basket-ball team doesn't consider this a losing season. The girls' league consists of some of the same schools as the Golden Plains League plus Skyline and Fairfield. A tough league.

Brenda Martin was high point girl for the season. She was followed by Rosanne Dick and Debbie Fieser.

Patty Allender was high point girl for the B-team. The B-team is an up-and-coming team. The prospects for next year are good.

The girls want to thank everyone who attended the games for their continued support, and Mr. Trotter for coaching them this year.

GIRLS TENNIS AND TRACK

This year there were 17 girls out for tennis.

All the girls enjoyed having the new tennis courts to play on. Two nights practicing time was taken up painting the lines on the court.

The girls attended two meets this year, both were at Hutchinson. Four schools participated in the first meet. They were Norwich, Hutchinson High, Fairfield, and Wichita Collegiate. The second meet was between Hutchinson High and Norwich. Although the season resulted in few wins, the team feels they gained a good deal of experience.

The bus trips to and from the meets proved to be a never ending source of fun. To end the year right, the girls & coach Harris spent the money they earned painting the tennis courts on a pizza dinner after the last meet.

Mr. Trotter was pleased to have twelve energetic girls on the track team this year. They had a very good season, all surviving their sunburns, windburns, twisted ankles, and sore muscles.

A meet on April 8 opened the girls track season. Several of the girls made it to the semi-finals. The girls took three relay teams to the Andale meet where they received two seconds and a third. At the time of this printing, the season is just beginning and there are several meets coming up in which the girls expect to make a good showing.

The team would like to thank Mr. Trotter for his time and effort in helping make this a successful season.

STUDENT COUNCIL

Through the encouragement of the student council and the efforts and approval of the administration, the students were provided a pop machine that has long been desired. They are responsible for filling the machine and for bottle disposal. This new addition to study hall proved to be successful.

They also had a new assignment this year, they had charge of Homecoming activities. With the help of other students, the chairman succeeded in producing a fine evening of entertainment.

The Christmas Party was also headed by the members. A stringing popcorn race proved to be very entertaining. The evening was pleasantly spent with Santa Claus and all his helpers. This was followed by a dance.

YEARBOOK STAFF

The yearbook staff is pleased as punch that we could bring to you a collection of pictures and print recording the school year 69-70. Our effort has created a better yearbook, though funds were scarce. You might also note that if you measure the thickness of the book, and compare it with last year's, that lack of money can produce a noticeable shortage of advertising.

This year, our band of loyal troopers composing the staff consists of Janet Peyton, editor Mike Eshnaur, asst. editor; Glory Risley, ad manager, Debbie Klaver, sales manager, Patty Allender, rumor editor, Lee Shiney, junior asst. editor, Chris Owen and Lee were official photographers. Our sponsors were Mildred Kennedy and Norval Harris.

As this is being written, the staff is still not sure what the finished product will resemble, but we're still trying. Thank you for your support.

NEWSPAPER STAFF

There was combined effort of the part of the office practice class and the senior English class this year to publish the school paper, the Eagle. Staff officers were elected at the beginning of the school year by the senior class. Barbara Doolittle was elected to the post of editor and Chris Owen to asst. editor. The English class wrote news items assigned them by Mrs. Estes. After being proofread they were typed by the office practice class onto dummy sheets. After arranging the items onto layout sheets, they were typed onto stencils. After being proofread for the second time, the pages were mimeographed by office practice class. The printing job completed, the papers were distributed by the senior class to the students.

The head of our speech department this year was Mr. Patton. Eight students participated in either the League or District Speech Contest. The one-act play was entitled 'The Frontier.' Its cast was composed of Rosanne, Lynn, Joe, and Mark. Brenda Martin and Gary participated in the duet act, 'One Word Alone.' Terrie replaced Brenda in the District performance. The duet act was presented at the Athletic Banquet. Sondra gave a poetry interpretation entitled "An Old-Fashioned Mother."

We think we have a speech and drama department to be proud of. The scores at league and district are not to be taken lightly. The ratings are as follows:

Library

Because a new library building was added to the Norwich School System, Unified School District 331 added a full-time librarian, Mr. Patton, to the faculty. Volunteer student librarians were obtained from the high school. These librarians were: Glory Risley, Sue Kraus, Terri Besore, David Smith, and Wendy Roberts. Mrs. Marguerite Holder also assisted.

Checking books in and out was the main duty of the student librarians. Dusting shelves and keeping the latest issues of newspapers and magazines in the racks were other duties.

Now that we have a new building, we can look forward to enlarging the number of books in the coming years.

PTA

The PTA meetings during the 1969-1970 school year produced a wide variety of speakers and activities. On September 18, music by the Eucalyptus Express and a pom-pom routine were enjoyed. A pep rally followed the meeting. On October 18, the problems of youth were discussed by William C. Mann, Denis Schmitt, Mr. Taylor and Mr. Johnson. The November 20 meeting produced a committee to look into the football scorebook. On December 18, the music department provided an enjoyable evening of music in the Christmas program. At the January meeting, the members were given the chance to tour the new library and grade school room. The February meeting had a fine program with Mr. W. T. Cole speaking on sex education, but very few people were there to hear him speak. The April 26 meeting was turned over again to the music department and a fine Spring Concert followed. The final May meeting found Mrs. Jack Toot, the regional Vice President, installing the new officers for next year. A display by the History, Science, Shop and Spanish departments followed.

BAND

The 1969-70 Norwich High School Band was composed of 20 high school musicians, 17 grade students, 4 twirlers, and a drum majorette.

The band marched in several parades in the nearby towns of Kingman, Winfield, and Wellington. They also marched at most of the home football games including Homecoming and played between A and B basketball games.

Our band went to contest at Wichita Southeast on April 4th. They received a III rating on their prepared music and II on sight-reading. Because of their ability, the band was in competition with 2-A schools. Their ratings show that they withstood the competition of the larger schools in good style.

This is the second year for the stage band. The stage band participated in both the Christmas and spring concerts and was on the program for the Athletic Banquet.

W. Roberts, pianist, D. Klaver, B. Martin, D. Fieser, J. Peyton, B. Doolittle, and S. Kraus.

ACTIVITIES

"It's Great To Be Crazy"

Everyone came from miles around to see the junior class play on November 14, 1969. "It's Great To Be Crazy" was presented in the school gymnasium by Mrs. Cheryl Prebake. This farce-comedy in three acts taught the audience how to laugh.

The play cast depended a great deal on the help of the student directors: Rita Cochran and George Ellbs and the teenage and male understudy Debbie Van Carson and Bertie Robertson. Publicity was handled by Donna White. Ray Riley had charge of the stage crew duties. Julie Garver had the pleasure of putting make-up on each actor.

The play was based on the Maxwell family's ancestors. After receiving a wrong letter about his ancestors, Mr. John Maxwell begins worrying everyone by his behavior. He finds that his ancestors included King the Ripper, Bluebeard, Lady Macbeth, Sarah the Sparrow, Letter-the-Leader, and Star Face Stella. John almost ruins his chances of being elected as a member of the board of his firm when some money is discovered in his coat. The chances of being elected President of the Civic Women's Club is almost as far away for him.

Finally the right letter comes in the mail and everyone returns to normal again. Even Grover gains enough courage to ask Connie to the Freshman Fling-ding.

Homecoming

King
Gary Dennis

Queen
Debbie Fieser

On to Victory for the 100th Year' was the theme of the 1970 Homecoming. The festivities began Friday afternoon with a parade. Later in the afternoon, a pep rally was held in the gym. During this time, a pep talk was given by Coach Skillen.

Homecoming reached its peak at the half time of the football game between our Eagles and the Hardtner Tomatoes. At this time, Debbie Fieser was crowned Homecoming Queen by Gary Dennis, the Homecoming King. Leading in the royal family were Mike Cowardall and Brenda Pomerooy. Attendants to the royalty were Debbie Klaver and Sue Kraus. Their escorts were Carl Durr and Mike Thornbro.

After a great victory of 42 to 18, a dance for the Norwich students and alumni was held in the gymnasium.

There are no candid or posed photos on this page due to the loss of the above mentioned pictures. As editor, I take full responsibility of this unfortunate error.

Christmas Dance

The Student Council sponsored the Christmas Dance this year. It was held in the old gym the evening of December 19. Games were presided over by Stu Presider, Mike Turner. This was followed by a visit from Santa Claus. The dance was held after Santa and his helpers had finished bringing out gifts.

ATHLETIC BANQUET

The Athletic Banquet for this year was held March 13. The gym was decorated around the theme of the Pink Panther, with the colors bright pink and orange. The entrance was accented with two topia trees to set the atmosphere for a gay evening. Colorful orange crepe paper flowers were set around the gym along with the large pink panthers, which were made by Mike Eshnaur.

The ladies of the United Methodist Church prepared and served a ham dinner.

The stage band entertained with the "Pink Panther Theme", Satin, and "Watch Girls By". Gary Dennis and Terrie Besore performed a duet act entitled "One Word Alone". Everyone danced to the music played by the "Purple

The crowning of the Athletic King and Queen was an important event of the evening. Joe Gosch and Sue Kraus held this honor. Their attendants were: Debbie Klaver and Carl Durr, Janet Peyton and Mike Thornbro. Debbie Fieser and Mark Turner were taperlighters.

Junior-Senior Prom

The Junior-Senior Prom was a real blast this year. April 17 was the date when the juniors, seniors, the senior parents, and the administration came out to enjoy an evening, courtesy of the juniors.

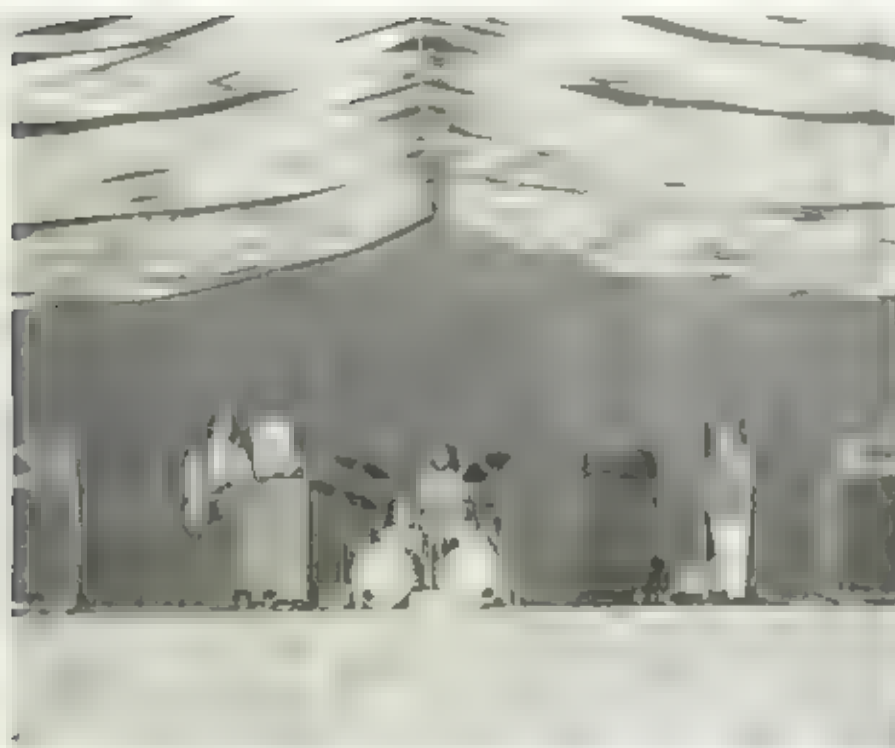

The gym was decorated in medieval style with a castle, complete with moat, coat of arms banners, and medieval table decorations.

Keith Robertson, the junior president, gave a toast to the seniors. Everyone then sat down to enjoy the banquet dinner.

After the meal, Keith welcomed the seniors and parents, followed by a response from senior president, David Smith.

The juniors then presented a fractured fairy tale, "Snow White and the Seven Dwarfs." This was an original skit written by a member of the junior class.

The dance lasted until 11:30 with music by the "Public Secret."

Senior Play

The Senior play was finally given April 9th after being postponed twice.

Hercules Nelson and Wilbur Mitchell went to spend a week with Hercules' uncle who was married. Needless to say, the boys were terrified especially when they found that there was another guest in the house. Mr. Douglas, a well-known sportsman, was the guest. Mr. Douglas called Monday, read the paper, and climbed into bed. Hercules and Wilbur had no intention of disturbing Mr. Douglas, but they had to do something. Mr. Douglas couldn't do a thing to do with them, and he had no plan to catch the culprits. The boys decided to solve the case and so they escaped with their necks, but not before one of the wildest finishes ever.

COMMENCEMENT

BACCALAUREATE SERVICE

Baccalaureate service took place on May 24, 1970. Tapelighters were Resanne Dick and Kenn Farrar. The seniors were led in by Patty Allender and Lee Shiner. The invocation and benediction were given by Rev. Marion Hobart. The Boys Glee Club sang "American Prayer" and Rev. Ray Blanton gave the sermon. Pianists were Wendy Roberts and Edith Farrar.

CLASS NIGHT

Senior Class Night took place on May 21 this year. The seniors presented "Hill Hall Norwich Style". It was a comical mixture of a well known TV show and several of our favorite commercials. Also given were the traditional:

Class Will	Joe Gosch
Prophecy	Barbara Doolittle
Poem	Chris Owen
History	David Smith

The Senior Key was then presented to the junior class president, Keith Robertson, by the senior president, David Smith.

Special student awards were given after the program. These awards are given to outstanding students in the fields of athletics, pep club, music, home economics, commerce, speech and drama, and special scholastic achievements.

Class night was the final formal school activity in the year. Very probably many people gave a sigh of relief.

Commencement

After months of struggle, the senior class was finally going to graduate. Commencement exercises held May 25, 1970. This senior class was the 50th class to graduate from Norwich High School.

The evening went by quickly compared to the years of study building up to it. The salutatory address was given by Janet Peyton, followed by Sue Kratz's valedictory address. Mr. Francis Taylor, superintendent, introduced the speaker, Reverend Richard Taylor from the University Methodist Church, Wichita, Kansas. Mr. Trotter made the presentation of the class and John Warner, President of the Board of Education, conferred the diplomas.

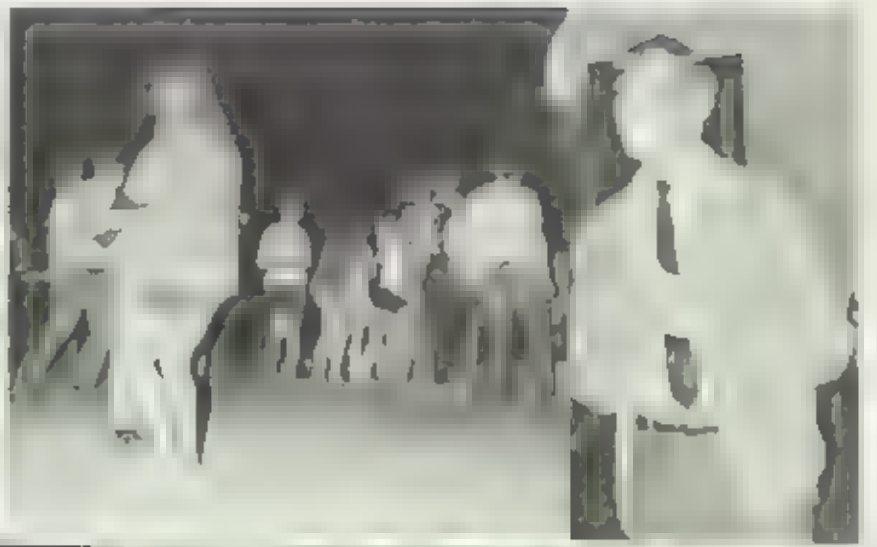

Eighth grade promotion took place on Wednesday, May 27, 1970. The 23 eighth graders were led in by Patty Burkett and David Swinehart.

Raymond Farrar gave the Valedictory address. The Salutatory address was given by Karen Burkett.

Other speeches given by class members were: Class Will, by Nancy Coon; Class Prophecy, by Debbie Reneau; Class Poem, by Lynn Simpson, and Class History, by K. C. Garver.
